TIME TESTED TRADITION

The Renewed Biblical Calendar

When is the Sabbath? The calendar the Scriptures keep, recovered from the text itself — the renewed moon, the appointed feasts, and the count that convicts every alternative.

Read it free at TimeTested.Bible.

*“I fed you with **milk** and not with **meat**; for until now you were not able to receive it, and even now you are still not able.”*

1 Corinthians 3:2

By this time you ought to be eating meat.

The wise and faithful servant gives the household *“**meat in due season**,”* becomes a “steward of the mysteries of God,” and has his senses “exercised to discern” all parables. Would Jesus rebuke you as he did his disciples: *“**Know ye not this parable? and how then will ye know all parables?**”*

This book feeds meat — not a closed set of mysteries explained, but lessons in how to seek and discover fresh meat on your own. With more than 140 symbols proved from Scripture’s own cross-references, it brings the Bible to life.

Come — meet the Bible’s symbolic language.

*“For everyone who partakes only of **milk** is unskilled in the word of righteousness, for he is a babe.”*

Hebrews 5:13

“And there are also many other things that Jesus did, which if they were written one by one, I suppose that even the world itself could not contain the books that would be written.”
